

MERRY CHRISTMAS

Remember.....

GOD IS ALWAYS HERE

**GOD is always here to see me through.
When I ask, he tells me what to do.**

**GOD is always here to help me be strong.
When my burden is heavy,
he helps me get along.**

**GOD is always here to keep me warm.
When I am cold and alone,
he bundles me and keeps me from harm.**

**GOD is always here to fill my heart with hope.
When I feel completely drained,
he gives me perseverance to cope.**

**GOD is always here to keep me on track to Heaven.
When I begin thinking too much of earthly things,
he reminds me “Why on earth I’m living”.**

**GOD is always here to remind me of his grace and love.
When I may falter and go astray,
I pray to Jesus in Heaven above.**

**GOD is always here to guide YOU and ME.
When he brought our souls together,
he wanted us to truly know and see
how wonderful life could be.**
